Customer Reviews

I got this book for my husband and he loves it. Every time he pulls out his uke this book comes out. It's been helpful in learning new songs.

I am a left handed person new to all music. This ukelele book is very simple with photos of finger placement. I have bought other books and this book is the best.

I am left handed and everything that you but is right handed and backwards for me. This book shows me the right way to play the cords.
