Customer Reviews

As an intermediate cellist, I was delighted to have the melodies to many Christmas songs written in the bass clef. The song selection is excellent. As with many fake books, the key signatures do not appear at the beginning of each line. That would be an improvement, but I just have to learn to play from that format.

Has all the best Christmas and several Hanukkah songs too. These jazz arrangements give the same old songs new life.

This book has the melodies in bass clef and the chords for all your favorite Christmas songs and tons more besides. If you know how to read music and or chord charts, it's awesome. If you don't, it's worth learning how.
