## Customer Reviews

Wonderful resource for any church choir, but especially for the small ensemble. My choir currently has only two sopranos and two altos. If someone is absent... The selections in this anthology are arranged in a way which gives you various options; unison, two parts, etc. Not necessarily easy, but flexible. There is something for each season of the liturgical year.

Amazing book, our choir master introduced this to us for new versions of songs ready for the wedding period. If you have a choir and would be interested in wanting to learn something exciting buy it!!! Cannot sell this book enough.

ACTUALLY, MY CHOIR DIRECTOR LOVES IT--WE ARE A SMALL CHURCH CHOIR, AND THIS AS A GREAT COLLECTION OF "GOOD STUFF" AND WE HAVE ALREADY WORKED ON A COUPLE OF ANTHEMS--VERY VERY NICE!
