My children and I have discovered a new favorite author! Bruno the shark learns the important lesson that being kind feels a lot better than being mean, both to him, and the other ocean creatures. And kindness earns friends! A good lesson delivered with colorful, entertaining illustrations!

Lovely book that teaches kids what happens when you're a bully...My 6 year old daughter loved the moral of the story..and my 5 year old boy loved that it was a shark story...so the book won both ways!

Loved this book for my 6 year old son. Great moral. And at his age bullying is already rapid so this was a great way for me to teach him about it. And he loves sharks. So perfect. Thanks so much!

Both my children, 6 and 3 loved this book. They love sharks and bright pictures but I love this book because of the lesson. It teaches compassion and friendship.

We got this story for free through Kindle Unlimited. The story has a nice message. The illustrations were really cute. My 3 year old son really enjoyed it.

My four year old twins liked this book very much. The illustrations are cute and the story is well-written. I'll look for other books by this author.

Didn't realize I was buying 4 books! Used the shark bully for pre-k social skills class! Very cute and fun. The t-Rex rooster is adorable.

Super cute book for kids! My three year old loved it, and the moral of the story on bullying was well

given towards the age range.
