Girl On The Train: Du Kennst Sie Nicht, Aber Sie Kennt Dich

Synopsis

Sie beobachtet dich - und schleicht sich in dein Leben. Jeden Morgen pendelt Rachel mit dem Zug in die Stadt, und jeden Morgen hält der Zug an der gleichen Stelle auf der Strecke an. Rachel blickt in die Gärten der umliegenden Häuser, beobachtet ihre Bewohner. Oft sieht sie ein junges Paar: Jess und Jason nennt Rachel die beiden. Sie führen - wie es scheint - ein perfektes Leben. Ein Leben, wie Rachel es sich wünscht. Eines Tages beobachtet sie etwas Schockierendes. Kurz darauf liest sie in der Zeitung vom Verschwinden einer Frau - daneben ein Foto von "Jess". Rachel meldet ihre Beobachtung der Polizei und verstrickt sich damit unentrinnbar in die folgenden Ereignisse... Fesselnd, fragil und hochspannend gelesen von Britta Steffenhagen mit Rike Schmid und Christiane Marx.

Best Sellers Rank: #1 in Books > Literature & Fiction > Foreign Language Fiction #112

in Books > Audible Audiobooks > Mysteries & Thrillers #446 in Books > Audible Audiobooks > Fiction & Literature

Customer Reviews

The story line is very good comes close to a Hitchcock movie. I love the British narrators who really make the book come to life. Rachel is a confused middle aged woman who has a lot of demons in her life. Megan has sultry voice who definitely creates a great environment of mystery and seductiveness. The story has a great deal of twists and turns. I would recommend this book especially if you like female main characters.

The Girl On The Train Very interesting reading with lots of fantasien and suspense. Once I started reading I needed to know more, and close to the end of the book I was captured by the surprising

finish. I liked the description of the train ride, its passengers and the landscape and houses it past. ,

If I were to describe it in one word, it would be "meh..." There was a brief period of time in which I wondered "who'd done it?", but less than a chapter later I already knew who it was and merely finished the book expecting an awesome finale, only to be disappointed with a non eventful and ordinary ending. I like me better plot twists.

Gut geschrieben und wirklich fesselnd. Ich kann es nur empfehlen. In zwei Tagen hatte ich das Buch durch gelesen. Daumen hoch.

I wish the story had been told more efficiently. Portions of it, especially the memory loss stuff were challenging to my suspension of disbelief. It isn't all negative, I did care about what happened. Both my wife and I admitted that if we knew what we were getting into half way through the audiobook, we wouldn't have purchased it.

Not a very good mystery at all, there are only so many suspects and easy to figure out the "whodunit" and the climax feels like a drag.

Loved it old school writing, in a time where crap is being written by most.
