Customer Reviews

I have been a fan of Mannheim Steamroller since... well, ever since I can remember! My family always played the cassette tapes during the Christmas Season, and we've purchased every album as they've come out! I'm a pianist, so these piano books bring me even closer to the music!

I love Mannheim Steamroller, so of course I had to get this. Disappointingly, the music is much more simplistic than their earlier Xmas books. Larger print, too. This may be good news if you are a beginner pianist but if you are a god reader the arrangements leave a bit to be desired. No chord symbols given.

My aunt took piano lessons and had a fellow piano-lesson-taker: Chip Davis. She always said Chip is what happens when you practice! She introduced me to Mannheim Steamroller--thanks, Aunt Linda!
