# The Twin Flame Lover Of China And Denmark

Synopsis

This is a true story of the writer--Defang Wan (Indigo yDeDe). In 2009, in a youth hostel in Beijing, she met a Danish boy named Oskar. The very moment she saw his face, she "recognized" him immediately. She thought to herself: "Aha! I have met him before! He is the Special One I've been waiting for for a long, long time!" The great joy, the beauty of it, the color of it, the wonder of it, made her want to fly up to the sky to have a celebration with everyone! However, Destiny whispered: "Be prepared, the final test of your soul is about to begin..." A path pre-designed by the Higher Intelligence awaited her. She began to awake by asking, "Who am I? What am I here to do? Where did I originally come from? What is Reality? Is it possible to reshape it? How can I change my destiny?" In 2013, she made her way to Denmark, in search of her dream and love. From this moment on, the whole story began to take on an unbelievably mysterious turn... How was her life in Denmark? What did the Danish healer say to her? The very Special One--Oskar--was he the other half of her soul? Did she manage to wake up to her higher powers and potential? How did she finally heal and transform herself? In the end, did she find her life path and was she able to follow it? From 2009 to 2016, from Beijing to Denmark, from the little self to the higher self, from darkness to light, from being lost to awakening, this book is telling you: A deeply touching love story between the two halves of one soul; a magical destiny-transforming journey from Beijing to Denmark; a story of a woman who is dedicated to looking for the meaning of life; a profound path of search toward the fulfillment of one's divine mission.
