Synopsis

My T-Rex Gets a Bath Tom has a funny pet dinosaur, but there is one big problem. Rex doesn't take a bath, doesn't brush his teeth and ruins boy's pajama. The dinosaur hides in his room and everyone thinks that it's a boy's fault. Our hero is a delightfully headstrong boy, who will not take the blame for someone else's bad behavior! "It's time to teach Rex that hygiene is fun, it's good to get clean when the day is done." He pulled Rex out from under the bed. "I have a great new game," he said. Full-color professional illustrations with funny scenes Simple everyday lessons in an easy to understand manner Perfect bedtime rhyming lines that keep your kids interested Here's what readers are already saying about the colorful, funny and valuable book: "It was playful and the twist of Tom teaching Rex was a surprise. I really liked the way this book is set out. The first section had all the information about Dinosaur and was well presented in language even a young child would understand. The second half was beautifully illustrated which would appeal to any child who is fascinated by dinosaurs. This book is fun and it has good moral lesson that young kids can learn. I highly recommend this book!

What I really like about on this book is the colorful pictures of the little Tom and his dinasaur friend Rex.This book is all about hygiene which is a really great read for your children who are lazy to brush their teeth and take a bath.This is the best book to read for your kids before bed so they will learn the importance of being clean.I am glad I purchased this book...

Do you enjoy your baths? Do you have a friend who takes a bath with you?The author, Chloe Sander's, has written a fun book about a little boy, Tom and his friend T-Rex. They were out playing all day when mom called them in to take a bath and get ready for bed. T-Rex dud not think having a bath was fun, and he jumped out of the bath and hot Tom's pajamas all wet, and he made a mess with the toothpaste squirting it on everything. Tom realized what a mess T-Rex had made and decided to show T-Rex that a bath could be fun. When you read this book, you will discover the fun that Tom showed T-Rex.Parents and other adults will enjoy reading this book to their children. This is a fun story with lessons to be learned. The illustrations are bright, vivid and colorful, and they depict the stories of T-Rex and Tom. A fun book with lessons to be learned is a real treat for parents and children.Recommended. prisrob 09-04-16

My T-Rex Gets a Bath This book sounded so silly I just wanted to read it because I know it will have me laughing. Children's rhyming colorful story of what happens after the toys have been picked up and it's time for the boys bath...with his T-Rex. They decide on a game to play while getting scrubbed clean. Some of the pages are very dark with dark lettering it's difficult to see. Cute story and a free gift.

For kids when it comes to something as fundamental as reading, it may be hard to adjust or change what you know already. If you are one of those people that have no problem with these new techniques, and you've already mastered them, then that is amazing, and good for you. But most of us aren't in that category. So here is a pacing guide to help you deal with frustration when adapting and changing your reading style.
