Best Soccer Goalkeepers Of All Time. Easy To Read Children Soccer Books With Great Graphics. All You Need To Know About The Best Soccer Goalies In History. (Sport Soccer IQ Book For Kids)

Synopsis

We all know that in soccer an individual is no use to the team â “ those who play for themselves will spend more time on the bench, used only as an impact substitute. In terms of team sports, few come close to the same levels required in modern soccer to succeed. The one exception to this rule, though, is the goalkeeper. The goalkeeper has begun to change in the last few years to something far more modern. If you are currently keeping goals for your team then you should be looking at some of the finest in the last twenty or thirty years for inspiration. After reading this fun, interesting, and easy to read book, you will know exactly who are the best soccer goalkeepers/goalies of the history to look into that can be the right role model for you to learn from. Customer Reviews

Aside from the photos, this little book is worthless! The small amount of information written on each player says nothing, no substance at all. And, there are an incredible number of typos throughout. Unless you want to cut out the photos, this book is a complete waste of money.

no.1 where is lev yashin!?! They literally told us that yashin was legendary but not put him in his own page. no.2 David seaman, felix, bravo, and schezny (i think i spelled it wrong). Are they the sidedish and buffon, cech, and nuer the main dish?
