My daughter is taking an Israeli Folk Dance class and we were looking for the music for some of the songs that she dances to, so she could learn them on Piano. This anthology has many of the songs that she dances to, and has them in Hebrew, in transposition, and translation into English. It's exactly what we were looking for. Some of her favorite songs that are included in this anthology: Hine Ma Tov, Hatikva, Eretz Eretz. There are over 200 pages in this anthology that includes the single melody line plus guitar chords. It can be used as a fake book.
