The Lord's Song In A Strange Land: Music And Identity In Contemporary Jewish Worship (American Musicspheres)

Synopsis

Across the United States, Jews come together every week to sing and pray in a wide variety of worship communities. Through this music, made by and for ordinary folk, these worshippers define and re-define their relationship to the continuity of Jewish tradition and the realities of American life. Combining oral history with an analysis of recordings, *The Lord's Song in a Strange Land* examines this tradition in contemporary Jewish worship and explores the diverse links between the music and both spiritual and cultural identities. Alive with detail, the book focuses on metropolitan Boston and covers the full range of Jewish communities there, from Hasidim to Jewish college students in a transdenominational setting. It documents a remarkably fluid musical tradition, where melodies are often shared, where sources can be as diverse as Sufi chant, Christmas carols, rock and roll, and Israeli popular music, and where the meaning of a song can change from one block to the next.

Book Information

Series: American Musicspheres (Book 2)

Paperback: 203 pages

Publisher: Oxford University Press; Pap/Com edition (March 27, 2003)

Customer Reviews

Key line in this book: "The importance of music in worship cannot be overstated." Times change and what is meaningful in the way worship is conducted evolves. This book helpful for anyone involved in creating or updating Jewish worship services. Background on what others do and how people respond. Surely appropriate for other religions too in this age.

This journey of Jewish song and identity draws the best of both to comprise an inspiring book that is

both a good read and a good listen. It will leave the reader singing and praying.
