# My Undoing: Love In The Thick Of Sex, Drugs, Pornography, And Prostitution

## Synopsis

For the first time, porn legend Aiden Shaw takes fans behind-the-scenes to the gay adult film world that made him a star. *My Undoing* ventures from locales such as Los Angeles, San Francisco, New York, and London, to the sets of premiere studios like Falcon, Catalina, and Studio 200. Yet, this is not the typical adult film memoir, where stars drop names and titillate readers with explicit moments. Although *My Undoing* shares in unsparing detail all the hot stories about the sex and drugs that fueled Aiden's life, it more profoundly follows him through a course of rocky and unfulfilling relationships. As Aiden eloquently and often humorously points out, the romantic life of an adult film superstar is sometimes lonely and lacking in love. But not love only in the form of a relationship, rather also love from within himself. The book is equally moving for his revelations about his Irish Catholic family, his Positive HIV status in the sex industry, and his recovery from a near fatal car accident that left him temporarily paralyzed.

## Customer Reviews

Because this book is a personal memoir, I will review it in a "personal" way. I am "Lavern" in this memoir. Lavern is my middle name. I was a friend of Aiden Shaw's (real name Aiden Brady) for 7 years and experienced most of the events in this book. Aiden is an existential amoral nihilistic hedonist. "do unto others as you would have others do unto you" carries no meaning to him. Self-centered narcissism is the rule of the day. I have never met someone with such incredible amounts of true charisma. It is other-worldly, probably developed in a previous life. His "accident"

was not an accident at all but intentional, due to his frustrating struggle with his impossible idealistic fantasy of "love" and his inability to achieve the idealism. His refusal to "learn" anything from his experiences and manifest change is a self-serving exercise for his hedonism. This book is a replay of his first book "Brutal" (fantastic!) and not written nearly as well. There are glimmers of his unique insight from "Brutal". Aiden IS incredibly observant of others and equally judgemental. His roommate in 1994 once told me that Aiden even observed how he turned a doorknob. His phenomenal construction of "Aiden Shaw", having just previously been a "tranny" (as Aiden confided) is a masterful achievement. Maybe he has realized a more real idea of what constitutes a love relationship, specifically with David Michael, aka David Logan (his longtime "baby" as he always called him). I observed and tolerated Aiden's tragic abusive treatment of others for a long time because I was learning so much I could apply to my own life in a positive way.
