Concert Studies For Trumpet: Grade 3-6

Synopsis

A beautifully recorded CD lets you study this great master's interpretations as you perfect your own playing. It is such a treat to hear Philip Smith's artistry, and there is nothing better than a great example for helping musicians improve! Customer Reviews

We found this book when looking for a certain audition piece. I liked what I saw, but being a piano teacher rather than a trumpet player, I showed it to my son's trumpet teacher, a professional classical and jazz trumpet player. He loves it, and my son will be using this book along with his other material over the next few years as there is a range of levels here.

Arrived promptly. Good product!
