The Lord Of The Rings Instrumental Solos: Flute, Book & CD (The Lord Of The Rings; The Motion Picture Trilogy)

Synopsis

Music from all three films arranged for wind instruments. Desirable and collectible, these instrumental folios are loaded with black-and-white photos of scenes from all three films. They are printed on top-quality antique paper stock, and the covers showcase the new "trilogy" artwork. The wind instrument books are completely compatible with each other and can be played together or as solos. Each book contains a carefully edited part that is appropriate for the Level 2-3 player and a fully orchestrated accompaniment CD. Each theme on the CD is presented as a "demo" track (which features that particular instrument) and as a "play-along" track without the solo instrument. New icons are used in the books to guide the players through the accompaniment options. A separate piano accompaniment book with CD is available for the wind series. The instrumental solo part, in concert pitch, is added above the piano part. The CD features live demonstration performances of various instrument tracks from the series. Titles are the twelve major themes from the blockbuster trilogy: from *The Fellowship of the Ring*: The Prophecy * In Dreams * Concerning Hobbits * Many Meetings * The Black Rider; from *The Two Towers*: Gollum's Song * Rohan * Evenstar * Forth Eorlingas; from *The Return of the King*: Into the West * The Steward of Gondor * Minas Tirith. This title is available in SmartMusic.

Customer Reviews

I was completely impressed with the Lord of the Rings Instrumental Solos for flute.I have been

playing flute for about two years now after taking music classes both inside school and outside for additional advice. I was able to master this beautiful instrument in no time. And I hope to keep up my talent for it. Now, the features you will expect of this book are:- 12 featured pieces from each of the three films. These are "The Prophecy", "In Dreams", "Concerning Hobbits", "Many Meetings", "The Black Rider", "Gollum's Song", "Rohan", "Even Star", "Forth Eorlingas", "Into the West", "Steward of Gondor", and the great "Minas Tirith".- Each piece ranges from at least one page to two; however repeats, rests, and Codas may make the piece longer.- The book contains full sized pictures of screenshots from the movie.- A level of playing that is challenging enough for a person of nearly any level.- Well organized pieces that are easy to understand and read.- A flute fingering chart at the back to make sure you are able to look up every note.- A wonderful CD to listen to with full orchestral backup or to play along with. In my case, the demos on my CD feature a professional flutist who plays each piece. When you wish to know the tempo and speed of each piece, this really improves the experience. In fact, the CD is amazing enough to be sold as a sound track for the films by itself.- This book is available for Flute, Clarinet, Alto Sax, Tenor Sax, Trumpet, Horn in F, and Trombone. This means that if any concert bands are interested in playing familiar Lord of the Rings music, the pieces will always be in key for each instrument.
