Synopsis

Internationally acclaimed calligrapher John Stevens guides aspiring lettering artists through his process of creating beautiful and contemporary handwritten styles in this 32-page book. Following an introduction to writing instruments, inks, and papers, as well as basic techniques and lessons on the fundamental elements of lettering, John introduces 20 original alphabets, ranging from funky and fun to elegant and embellished. He also offers advice on how readers can add their own touches and create original alphabets. With an alphabet for every occasion and easy-to-follow instructions, this book is perfect for anyone who wants to create stunning handwriting.

Customer Reviews

This book is a great resource for calligraphy lettering. It covers the basic tools (brushes, pens), but what is especially interesting is the sample lettering (i.e. Zenful, Latina, Anime, Beijing, Funk, Cheer, and Kaleidoscope). I've not seen these letterings in any other book. A couple other really neat styles are Manic (like lettering with a shade hand) and Boing! Regular. I am interested in creative ways to display letters and the Kaleidoscope, with colored inks and block formation, is fun to work with. If you like calligraphy, this is your book!

I sent this book to my son and he loved it.
