Viola Wall Chart

Synopsis

The Viola Wall Chart presents innovative finger-pattern drawings for all twelve major scales in first position and movable patterns for higher positions. It also includes note names superimposed on an actual viola picture and a list of bowing terms.

Customer Reviews

My wife and son are playing the Viola and Violin so we purchased both charts for our music room and they love the large and easy viewing options with this chart. Holds up well as we have moved twice since purchasing and we have kept the poster in great shape. Appreciate the high quality and great service from as well.

Looks to be very informative and is also attractive even for non-players. It came rolled up nicely and was not crimped or creased at all.
